## 1. Project Overview

QUAZENTHOR (QWBQ) is a fixed-supply BEP-20 token deployed on BNB Smart Chain mainnet as an educational reference implementation.

The contract enables real interaction with standard BEP-20 functions for learning purposes. Address:  
[0x013f5f2F7F5b027012415A783ac2ed69EF936aE8](https://bscscan.com/address/0x013f5f2F7F5b027012415A783ac2ed69EF936aE8) – verified on BscScan since January 31, 2026.

## 2. Acceptance of Terms

By accessing this website or interacting with the token, you agree to these terms of use.

These terms may be updated; changes will be noted in the changelog.

## 3. Risk Disclosure

Blockchain interactions involve risks, including:

- Smart contract vulnerabilities
- Network or gas issues
- User error
- Regulatory changes

Users accept all risks and are responsible for their actions.

## 4. Terms of Use

You agree to:

- Use materials for educational purposes
- Not rely on information as advice
- Comply with applicable laws

## 5. Independence

QUAZENTHOR is an independent project with no affiliations to Binance, BNB Chain, or other entities.

Content is original and for identification only.

## 6. User Acknowledgement

By using the site or token, you confirm understanding of these terms and acceptance of risks.

If you disagree, cease use immediately.
