Official Token Information – Quazenthor (QWBQ)

Educational BEP-20 Reference Token on BNB Smart Chain Mainnet

Quazenthor (QWBQ) is a fixed-supply BEP-٢٠ token deployed on the BNB Smart Chain mainnet as a public technical reference implementation. It enables real blockchain interaction with standard BEP-٢٠ functions including transfers, approvals, allowance validation, and event observation. Educational distribution is performed manually and is fully transparent on-chain. The contract is immutable and contains no minting, burning, taxation, or upgradeability mechanisms.
